EXTERNAL ACCOMMODATION

Aside from the Halls of Residence, RCSI Bahrain is lucky to be situated within walking distance of a wide range of apartment blocks perfectly suited to students and student life. Alternatively, there are plenty of other residential areas that might also be suitable, depending on the individual student's budget and personal circumstances.

ROOM-MATE REGISTRATION

Sharing accommodation with a fellow student will reduce the cost so we encourage students to share through the room-mate registration process if that is the preferred option.
